Terms and conditions

Profile Productions Ltd, the organiser of this conference, complies with the General Data Protection regulations of 2018. On the lawful basis of having received your consent, as indicated by registering for this event, the company will hold the personal data you enter on this booking form on behalf of SMA Nestle and this data will be held for three years, after which it will be deleted. While Profile Productions holds your data, the company will only use it to inform you of other SMA Nestle events or, if you request it, to occasionally send you details of other relevant conferences. Profile Productions will not share your data with any other organisation except SMA Nestle. If you have concerns about this policy or wish to review or delete your data, you have the right to contact us and request this.

By registering for this event you are confirming that you will attend or will inform us that you are no longer able to attend at least 48 hours before the event.

CPD Certification has been applied for and attendance at this conference should count to your portfolio/revalidation

COMMUNITY CARE OF THE PRE-TERM INFANT

Tuesday 17 March 2020

Mary Ward House Conference & Exhibition Centre, London

A one-day conference aimed at all health professionals working with pre-term infants and the new born in today's community. This programme has been carefully developed to help bridge the gap of knowledge made available to today's busy practitioners.

Who should attend

- Neonatal Nurses
- Specialist Nurses
- Paediatricians
- Dieticians
- Midwives
- Health Visitors
- Healthcare Assistants

What will I learn?

With over 3 hours of dedicated presentations this programme includes some of the country's leading experts covering topics with the most up-to-date information and tips on how to follow best practice.

- How to recognise and classify feeding disorders in children
- The challenges following discharge of pre-term infants
- How to diagnose and manage infants
- What are the cardiac health issues common in premature babies?
- Managing the iron requirements of pre-term infants

How to book your place

Places are completely **FREE** for all delegates to attend and provide full access to conference sessions, all conference materials, refreshments, lunch and certificates of attendance.

All delegates must be a registered healthcare professional and no members of the public are able to attend any part of this conference.

Places are limited and they will be allocated strictly on a first come, first served basis. Places must be booked before Friday 21st February to secure your place, as soon as places have been fully allocated, the organisers will operate a wait-list.
